RESPONSE TO NOTICE TO FILE
MISSING PARTS OF NONPROVISIONAL APPLICATION

Responsive to the Notice to File Missing Parts of Nonprovisional Application dated August 1, 2001, kindly enter the enclosed copy of the Declaration for Patent Application signed by Jan Claesson on August 7, 1998 and the enclosed originally signed Declaration for Patent Application signed by Jan Claesson on September 24, 2001 into the above-identified case.

The Commissioner is respectfully request to note that the present application is a Division of U.S. Serial No. 09/086,756 filed May 27, 1998. Jan Claesson's declaration was executed on August 7, 1998 and filed in the parent case (i.e., 09/086,756) in response to a Notice to file Missing Parts of Patent Application. The present divisional patent application was timely filed on June 5, 2001 with a copy of the prior application and both the declarations from the parent case in accordance with 37 CFR § 1.53(d). However, when the application papers were prepared for filing, the second page of Jan Claesson's declaration for patent application was inadvertently omitted therefrom.

Accordingly, undersigned has appended a copy of Jan Claesson's declaration from the parent case (i.e., 09/086,756) in response to the present Notice. In an overabundance of caution, perhaps, Mr. Claesson has also executed a new original declaration for patent application in support of the June 5, 2001 filing which is also appended hereto.

A check in the amount of \$130.00 is enclosed which reflects the government surcharge fee with respect to this Notice to File Missing Parts of Nonprovisional Application. An authorization to charge deposit account is also appended hereto should the Commissioner believe that additional fees remain due.

Dated: September 27, 2001
